1. INTRODUCTION

Attleborough Academy Norfolk wishes to work with parents and carers in a partnership of trust openness, honesty and transparency. Parents are a child's first and enduring teachers. They play a crucial role in helping their children learn and children always achieve more when schools and parents work together. Parents can help more effectively if they know what the Academy is trying to achieve and how they can help.

2. POLICY AIMS

This 'Home-Academy' Agreement, which was developed in consultation with the Parent Council, provides a framework for the development of such a partnership.

We expect parents and carers to agree to the following agreement in the spirit of co-operation. It is, therefore, expected and assumed that in choosing to send their child to the Academy, that parents and carers will support the Academy in the manner outlined in the following agreement and vice versa.

3. SCOPE

This is an Attleborough Academy stand-alone policy. As such, it provides the policy and protocol to be followed by Attleborough Academy Norfolk and does not have a related Statement of Policy from the Norfolk Academies Multi Academy Trust or the TEN Group.
